NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the Annual General Meeting relating to the granting to the Board of the general mandates to allot, issue and deal with the Shares and to repurchase Shares, the re-election of Directors and the change of auditor.

LETTER FROM THE BOARD

At the Annual General Meeting, resolutions will be proposed, among others, for the Shareholders to approve (i) the granting of the General Mandate and the Repurchase Mandate; (ii) the extension of the General Mandate to include Shares repurchased pursuant to the Repurchase Mandate; (iii) the re-election of Directors; and (iv) the change of auditor.

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

The general mandates to issue and repurchase Shares were last granted by the Shareholders to the then Directors at the annual general meeting of the Company held on 30 September 2011 and will expire at the Annual General Meeting. As at the Latest Practicable Date, such general mandates to issue Shares have been utilised and the general mandate to repurchase Shares will lapse at the conclusion of the Annual General Meeting. In order to provide a flexible means for the Company to raise funds through the issue of new Shares for its future business development, the Board proposes to refresh such general mandates and seek from the Shareholders (a) the grant of the General Mandate; (b) the grant of the Repurchase Mandate; and (c) the extension of the General Mandate to include Shares repurchased pursuant to the Repurchase Mandate.

At the Annual General Meeting, separate ordinary resolutions will be proposed:

- (a) to grant the General Mandate to the Directors to exercise the powers of the Company to allot and issue Shares with an aggregate nominal value not exceeding 20% of the aggregate nominal value of the issued share capital of the Company as at the date of passing the resolution. Based on the 636,402,481 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are issued prior to the Annual General Meeting, subject to the passing of the relevant ordinary resolution to approve the General Mandate at the Annual General Meeting, the Directors will be authorized to allot and issue up to a limit of 127,280,496 Shares under the General Mandate. The General Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company;
- (b) to grant the Repurchase Mandate to the Directors to exercise all powers of the Company to repurchase issued Shares subject to the criteria set out in this circular. Under such Repurchase Mandate, the maximum number of Shares that the Company may repurchase shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the resolution. As at the Latest Practicable Date, the number of Shares in issue is 636,402,481 Shares. Subject to the passing of the proposed ordinary resolution approving the granting of the Repurchase Mandate and no further Shares are issued prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 63,640,248 Shares, being 10% of the entire issued share capital of the Company as at the date of passing of the resolution in relation thereof. The Repurchase Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is

LETTER FROM THE BOARD

required to be held by the Articles of Association or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and

- (c) subject to the passing of the aforesaid ordinary resolutions of the General Mandate and the Repurchase Mandate, to extend the number of Shares to be issued and allotted under the General Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

In accordance with the Listing Rules, an explanatory statement is set out in Appendix I to this circular to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed resolution to renew the grant of the Repurchase Mandate at the Annual General Meeting.

By Order of the Board
Tack Fiori International Group Limited
Liu On Bong, Peter
Vice Chairman

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, there was a total of 636,402,481 Shares in issue. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued during the period from the Latest Practicable Date to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 63,640,248 Shares, being 10% of the issued share capital of the Company as at the date of the passing of the relevant resolution at the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and/or its earning per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASE

The Company is empowered by its memorandum and articles of association to repurchase its Shares. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and laws of the Cayman Islands. The laws of the Cayman Islands and the Articles of Association provide that payment for a share repurchase may only be made out of profits or the proceeds of a new issue of shares made for such purpose or subject to the Companies Law, out of capital of the Company. The amount of premium payable on repurchase of shares may only be paid out of either the profits or out of the share premium of the Company or subject to the Companies Law, out of capital of the Company.

In addition, under the laws of the Cayman Islands, payment out of capital by a company for the purchase by a company of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business. In accordance with the laws of the Cayman Islands, the shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

As compared with the financial position of the Company as at 31 March 2012 (as disclosed in its latest audited financial statements for the year ended 31 March 2012), the Directors consider that in the event that the proposed repurchase were to be carried out in full during the proposed repurchase period, there would be material adverse impact on the working

capital and on the gearing position of the Company. The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would have a material adverse impact on the working capital or gearing ratio of the Company.

4. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates, has any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

No connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Articles of Association and the laws of the Cayman Islands.

6. EFFECT OF TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Fidelitycorp Limited and its associates were interested in approximately 27.5% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the aggregate percentage shareholdings of Fidelitycorp Limited and his associates would increase to approximately 30.6%. Accordingly, such increases would trigger a mandatory offer obligation under Rule 26 of the Takeovers Code.

The Directors do not intend to repurchase Shares to the extent that Fidelitycorp Limited and its associates would need to make a mandatory general offer pursuant to Rule 26 of the Takeovers Code or the Company cannot satisfy its minimum requirement for public float.

7. SHARE REPURCHASES BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

8. SHARE PRICE

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months were as follows:
